

Seed to look for from October to December

Coastal dunes and headlands/ foredunes species

October	November	December
Coastal wattle <i>Acacia longifolia</i> subsp. <i>sophorae</i>	Beach morning glory <i>Ipomoea pes-caprae</i>	Beach morning glory <i>Ipomoea pes-caprae</i>
Hard corkwood <i>Endiandra sieberi</i>	Beach birds eye <i>Alectryon coriaceus</i>	Beach birds eye <i>Alectryon coriaceus</i>
Broad leaved paperbark <i>Melaleuca quinquinervia</i>	Dianella <i>Dianella</i> sp	Dianella <i>Dianella</i> sp
	Coastal banksia <i>Banksia integrifolia</i>	Coastal banksia <i>Banksia integrifolia</i>
	Lomandra <i>Lomandra longifolia</i>	Lomandra <i>Lomandra longifolia</i>
	Tuckeroo <i>Cupaniopsis anacardioides</i>	Tuckeroo <i>Cupaniopsis anacardioides</i>
	Kangaroo grass <i>Themeda australis</i>	Kangaroo grass <i>Themeda australis</i>
	Forest red gum <i>Eucalyptus tereticornis</i>	Forest red gum <i>Eucalyptus tereticornis</i>
		Swamp mahogany <i>Eucalyptus robusta</i>

Riparian and forest species

October	November	December
Green wattle <i>Acacia irrorata</i>	Brush box <i>Lophostemon confertus</i>	Bleeding heart <i>Homolanthus populifolius</i>
Sandpaper fig <i>Ficus coronata</i>	Green wattle <i>Acacia irrorata</i>	Brushbox <i>Lophostemon confertus</i>
Forest oak <i>Allocasuarina torulosa</i>	Sandpaper fig <i>Ficus coronata</i>	Callicoma <i>Callicoma serratifolia</i>
Tallowwood <i>Eucalyptus microcorys</i>	Forest oak <i>Allocasuarina torulosa</i>	Green wattle <i>Acacia irrorata</i>
Grey gum <i>Eucalyptus propinqua</i>	Tallowwood <i>Eucalyptus microcorys</i>	Mat rush <i>Lomandra hystrix</i>
	Grey gum <i>Eucalyptus propinqua</i>	Sally wattle <i>Acacia melanoxylon</i>
		Forest oak <i>Allocasuarina torulosa</i>
		Tallowwood <i>Eucalyptus microcorys</i>
		Grey gum <i>Eucalyptus propinqua</i>
