

Mid North Coast

"Your actions today shape a legacy for generations of grandkids to come"

WIRES MNC CARER EXPO

No Experience Required Training will be provided. Discover how to begin your training online and start making a difference.

Who Should Join Us!

Retirees, remote workers, empty nesters, and anyone passionate about wildlife conservation—get involved on your terms, with flexible time and commitment options.

Why Attend?

Help protect our wildlife and leave a lasting legacy. Becoming a wildlife carer ensures future generations can experience and cherish the wildlife we love today.

Get Inspired!

Discover what it means to be a wildlife volunteer and how you can get involved. Hear personal stories, experience hands-on demonstrations, and learn simple steps to begin your journey as a wildlife carer.
